To

Sir,

Subject - Publication of Notifications relating to the Trust Board Schemes etc., in the local News papers.

With reference to your letter No 17612 dated 14-6-1948 - asking for the opinion of the Board as to whether in future all advertisements to be released by the Board may not be got published in the Newspapers through the Mysore Government Publicity Officer as in the case of other Government Departments and other industrial concerns in view of the fact that this procedure would economise expenditure on this account, I have the honour to state that the Publicity Officer to Government was requested in this Office letter No 4539/47-48 dated 16-6-1948 to intimate the rates for publication of notifications, advertisements etc., as accepted by him for being placed before the Board No reply has been received from him so far In the meantime, the subject came before the Board for consideration at its meeting held on 24-6-1948 when the following resolution was passed

> "RESOLVED that the Trust Board should have the freedom to publish advertisements and notices in Newspapers and journals without recourse to the - Publicity Officer to Government in this respect and further that the rates of advertisements etc., - obtaining in the Municipality be ascertained and - favourable rates fixed with several Newspapers for advertisements and notices "

In view of the fact that the notifications relating to the work of the Board, have to be published urgently and it would involve delay to have recourse to the Publicity Officer if these notifications or advertisements have to be published through him, the Board feels that, the matter of publishing the notices and advertisements

P T O

may well be left to it.

The practice obtaining in the City Municipality will also be ascertained and the favourable rates will be fixed with several Newspapers for advertisements etc.,
